**Nathalia Rotary Donation**

The Rotary Club of Nathalia has kindly donated $350 to Nathalia Primary School. The cheque was presented by Rotary representative Glenda Harding to the school and initial thoughts are that the money will go towards new netball uniforms for the school team. Thank you to Rotary for this kind donation and for all of the work they do in the Nathalia community.

---

**AFL Careers Beckon**

Julie Lindsay and Melissa Bell were practicing their goal umpiring skills at the Lightning Premiership. They showed great style and poise until the ball was coming towards them and then confusion reigned. Well done ladies!

---

**The Lightning Premiership**

Last Friday, children, staff and parents ventured over to Yarrawonga for the annual Lightning Premiership. Our kids competed in netball and football and acquitted themselves very well in the games they played. Our netball team was made up of girls from grades 5 and 6 and competed in the grade 6 competition. All of the games were tight and were played with great spirit. The footballers played well in a very even section of the draw. After the initial three games the Nathalia boys made it through to the final on percentage. In a very tight game, Nathalia went down to SC Yarrawonga by a goal in the final.

I’m pleased to say that all of the children displayed excellent sportsmanship on the day and every game was played in great spirit. It was great to see so many families able to make the trip over to Yarrawonga to support the kids on the day. Coaches Mrs Zammit and Mr Johnson were very pleased with their teams and proud of the manner in which they represented the school. **Thanks, Chris McCallum - Principal**

RACV Energy Breakthrough – Update

The RACV pushcart team has been hard at work. We have come up with a name and theme for our team. We are called the Pink Panthers.

The students have been busy sewing on Mrs Hill’s sewing machine and they have all made a gear bag and are now in the process of making their helmet covers. We are now using fabric paint textas to draw our design on our bag.

We would like to thank our sponsors for their kind donations:
Mortimers’ Bus Service
Lubke Engineering
Bendigo Bank
Greg Power Livestock
Nathalia Angling Club
FP Nevins & Co
Nathalia District Welfare
