Nathalia Kids Are Friendly Kids
This term the school is focusing on the principles of cooperation. Each week a different theme is introduced at assembly and reinforced with the children in the classroom.

- Week 1: What Is Bullying?
- Week 2: Being Assertive
- Week 3: Saying “No”
- Week 4: Negotiating
- Week 5: Suggesting and Persuading
- Week 6: Making Decisions in a Group
- Week 7: Respecting the Opinions of Others
- Week 8: Sharing
- Week 9: Including Others
- Week 10: Team Work

Currently we are working with the children on establishing positive ways that we can engage as a group where everyone cooperates and treats each other with respect. These skills are valuable for children to learn and put into practice at school. It’s also important that we, as adults, model positive behaviours and that is why we are implementing the whole school positive behaviours program across the school.

School Uniform
It’s great to see so many of the children attending school wearing full school uniform. There are still some children who are wearing variations of the uniform and I encourage them to follow the direction of School Council and comply with the uniform policy. The school will work with parents on this matter and actively encourage children to attend each day wearing the correct school uniform.

Meeting with the Minister
This afternoon (Wednesday) I will be attending a meeting in Shepparton with the Deputy Premier and Minister for Education the Hon. James Merlino. Mr Merlino will meet with the Principals from the Shepparton Network of schools to discuss current and proposed policies regarding the “Education State”. I’m hoping to hear about initiatives that promote state school education and that will have a positive impact on the learning opportunities for the children at Nathalia Primary School.

Thanks, Chris McCallum—Principal
