TERM 2 - Concludes Friday, September 18th - 2.30pm
TERM 3 - Commences Monday, October 5th

School Concert
The Nathalia Primary School concert last Thursday night was a fantastic celebration for our school. The children performed beautifully on the night and their costumes looked wonderful. Congratulations to Mrs King-Jones for the work she has done with the children during the school year. The performance of the choir was a highlight at the concert. Mrs Zammit also did a great deal of work preparing the children for the school concert and should be proud of this achievement. It was great to see so many parents, grand parents and friends of the school in the audience and I’m sure they enjoyed the concert as much as I did.

Athletic Sports
This Friday we are having our school athletic sports at the Nathalia Recreation Reserve from 10.00am. The children will attend school at the usual time and then we will walk to the reserve for a 10.00am start. The sports will conclude by 1.00pm and school will finish at 2.20pm for the end of term. Parents are welcome to take their children home at the conclusion of the sports but please let the teachers know if you are doing this.

End of Term
As I said earlier, term three concludes this Friday at 2.20pm. I’m sure all families will enjoy the extra time they spend with their children over the break and the kids will come back refreshed for a fantastic term 4.

Thanks, Chris McCallum—Principal

“Study Ladder” and Mathletics Achievers

Nathalia Kids Are Friendly Kids

September 17th, 2015

“Including Others”

Last week’s Winners
F/1 W Nate Seath
1/2 B Kiana Guligo
3/4 J Sasha Daniel
4/5 I Emily Bell
5/6 R Archie Congues

Congratulations to our weekly winners.

This week’s theme is: “Teamwork”

Golf Champ

Grade six student Aiden Lindsay represented Nathalia Primary School at the regional golf championships in Shepparton on Monday. Aiden did very well and came fifth overall, earning the right to play at the next level in Benalla in November. Well done Aiden and best of luck in Benalla.
Parents’ Club News
Thank you to all those families who donated hamper items and purchased tickets. Our raffle prizes were all donated with thanks going to The Good Guys, Nathalia Post Office, K & A Tyre & Blake Street Butchery. A profit of $700 was made on the raffle which is a great effort.

Come have some fun

EMOTIONAL INTELLIGENCE (www.kidshealth.org)

More Than One Kind of Intelligence
You may have heard people mention “IQ” when talking about intellect and how smart someone is. (For example, “My brother doesn’t need to study as much as I do because he has a really high IQ.”) IQ stands for “intellectual quotient.” It can help predict how well someone may do academically.

IQ is just one measure of our abilities, though. There are many other kinds of intelligence in addition to intellect. For example, spatial intelligence is the ability to think in 3D. Musical intelligence is the ability to recognise rhythm, cadence, and tone. Athletic artistic, and mechanical abilities are other types of intelligence.

One Important type of Intelligence is emotional intelligence.
Emotional intelligence is the ability to understand, use and manage our emotions. Emotional intelligence is sometimes called EQ (or EI) for short. Just as a high IQ can predict top test scores a high EQ can predict success in social and emotional situations. EQ helps us build strong relationships, make good decisions, and deal with difficult situations.
One way to think about EQ is that it’s part of being people-smart. Understanding and getting along with people helps us be successful in almost any area of life. In fact, some studies have shown that EQ is more important than IQ when it comes to doing well in school or being successful at work.
Some people have naturally good EQ skills. Others need to work on them. The good news is that everyone can get better. Unlike IQ, people can actually improve their emotional intelligence – if they know what to do.

More next term on improving your emotional intelligence.
