

Nathalia Primary School Newsletter

January 30th, 2020

Welcome Back

School started for our students yesterday and what a fantastic day it was. The school has enrolled 21 prep students and several students who are in other grades this year taking our enrolment to 132 students. In addition to the new students, we also welcome Ms Aviva Lindsay who is teaching grade Prep—1 this year.

I'm looking forward to another fantastic year at Nathalia Primary School in 2020.

Chris McCallum—Principal

Family Barbecue

We have lots of new families at the school this year and I'd like to invite our school community to come together for a barbecue to welcome everyone, new friends and old, to the school. Next Friday the 7th of February we will provide a sausage sizzle for families from 4.00pm—6.00pm at the school. Parents are welcome to bring their own refreshments for their family and sausages in bread will be provided.

Parent Information Session

Ms Willcock and Ms Lindsay, our Prep—1 teachers, will be running a parent information session on how parents can help their children with reading. This session will coincide with the family barbecue and will run from 4.00—4.30pm.

School Assembly

The first whole school assembly will be this Friday at 9.00am in the BER building (P—2 area). Parents, family members and friends of the school are most welcome to attend.

The badges for school captains and sports captains will be presented at this assembly at 9.00am.

Swimming

The school swimming program will operate from February 10 through to February 21. Parents who would like to assist with the program should contact Chris at the school as soon as possible. This program is a compulsory part of the curriculum and establishes life long skills for the children.

More details regarding the swimming program will be in next week's newsletter.
