Student Accident Insurance

Nathalia Primary School does not have whole-of-school student accident insurance or ambulance cover in place. Parents should note that:

- parents or guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs; and
- parents or guardians can purchase insurance policies from commercial insurers.

The Education Department does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Swimming Program

The school swimming program will begin on Monday the 13th of February and runs for ten one hour sessions. We need parents to help out with the program by taking a group of children at the pool for lessons. If you are interested in helping out with the swimming program, please contact Chris and training will be provided.

Parents Club 2017

Traditionally Nathalia Primary School has had a very active Parents Club but the number of parents participating has dwindled over time. I would like to have a morning tea with parents who might to share ideas on the viability of the Nathalia Primary School Parents Club and discuss how parent participation can add to the school culture. Importantly, the function of Parents Club is not necessarily to raise money for the school. Enabling parents to become involved in the function of the school through Parents Club or School Council is an important element to a successful school.

Meet the families School Barbecue

Thursday, February 9th

from 5.00 pm.

Each year we offer the opportunity for our school community to get together early in term one. It is a great way to meet your child's classroom teacher and other staff and parents, or have a catch up with friends over a sausage.

The school community welcome barbecue will take place at the school on Thursday, February 9th from 5.00pm.

Meat will be supplied and families are asked to bring their own drinks. We are really looking forward to seeing lots of people at the school for this event.

The Grade Prep and One students are celebrating "S" week and learning about the different sounds and words associated with the letter S. We had a visit from the super-hero "Sausage Man" who cooked sausages with sauce for morning tea for the children.

Free to a Good Home:

Three sets of solid wooden doors with glass inserts. (locks are to be removed)

Large (1600 X 900mm) office desk with drawers.
