Parent Opinion Survey

A letter inviting parents to participate in the Parent Opinion Survey has been sent home with students. The link to the survey is on this letter. The survey is one of the important data sets that the school uses to drive school improvement. The survey is completed on-line and will take about ten minutes of your time.

Junior Public Speaking Awards

The grade 3—6 children from Nathalia Primary School participated in the Lions Club Public Speaking competition last week and they did exceptionally well. All of the children presented their work confidently and with enthusiasm and they deserve to be congratulated in how they represented themselves and the school.

Lucy Daniel and Taylah Hutchins were the winners of their sections and Chloe Hildebrand and Esther Amery were runners up. This is a great result for the school and a testament to the hard work of the students and teachers.

Best of luck at the next level of competition on the weekend.
