## Book Week

This week is Book Week. To celebrate this important week the school will be holding several events. The children will be writing stories about "My Super Power" and these will be judged with the four best authors across the school winning \$25 book vouchers.

On Friday the children can come to school dressed as their favourite story book character. The children will parade in the court area just after 9.00am. After that the children in grades P—3 will head down to the plantation for the community story book reading at 10.00am. This should be great fun listening to some books read by enthusiastic members of our community. Everyone will be back at school by 11.00am for recess.

## Lightning Premiership

Nathalia Primary School participated in the lightning premiership held at Cobram last week and had a fantastic time. The school had two netball teams and a football team in the competition. The Grade 6 netballers made the final and ran a close second in a tight contest. The football was an all Nathalia final with Nathalia Primary School just beating St Francis in an excellent match. Well done to all of the kids for showing excellent sportsmanship in every game they played.

## Worm Farm Excursion

Last week we went to the worm farm and it was fun. We got to touch a worm and got to see a machine and we got to jump in it. They had 10 million worms! – Felicity Halden (Grade 1)

We went to the worm farm. We got chocolate frogs and we got to find worms. Worms eat cardboard. When it is sunny they sometimes dig. – Oscar Carey (Prep)

## Concert Information.

Our concert is coming up very soon and the children are busy rehearsing their items. They will receive a note about their costume needs this week. Please make sure to ask your child for their note.

Grade 4/5 Russell & 5/6 McKillop children are performing dances. If you know your child will not be attending the concert, please let us know via a phone call or note, so we can finalise dance positions.
