Jump Rope for Heart

Pictured above are the students who raised over \$5000 for Jump Rope for Heart. This is a wonderful achievement for the school and overall the children had a great time participating in this event. Well done to Mrs Russell who coordinated Jump Rope for Heart for the school and she was ably assisted by the school's sports captains, Tristan and Ethan.

Families should now forward the money they have pledged for this event to the school.

School Hats

As part of the school's Sun Smart Policy, all students must wear their uniform wide-brimmed hats for the remainder of this term. Hats are on sale at Casual Step in Nathalia. Children without hats must play under the shade cloth during recess and lunchtimes and will not be able to participate in outdoor school activities. Being sun smart is an important message and essential for good skin health.

town for their Santa photos this year.*

*Not only will they save time & fuel, but will also support this
children's charity.*

Please feel free to contact Kylie with any other questions also.

Interest in Enrolment 2020

For all new and current students.

Please fill in what you are interested in and we will get back to you about our 2020 timetable, availability in what town and schools plus fees and your enrolment. Fill in your details and everything you are keen to know a little more about. This does not tie you into any classes but allows us to know what tutors and times we may need to have available to cater for our students. Please keep in mind we have different payment plans we can put into place for you. Place into our box at showcase or return to your tutor asap. We do have waiting lists and we will have cut off numbers. Please fill in one for each student. Of course we try hard to work around your other classes at Dillmac and we have a great ongoing relationship with EMTC and their shows.
