Strawberry Festival

The Strawberry Festival was a huge success and very well supported by the Nathalia community. The organising committee did a wonderful job at putting this together. It was a lot of work and would not have been the success it was without parents, teachers, students and other members of the community chipping in to lend a hand. This was a great community event that the whole town got behind. Well done to everyone who played a part in presenting the Nathalia Primary School Strawberry Festival in 2019.

News will follow when we have a final tally of the money raised through this event.

Here are the winners from the Strawberry Festival Raffle:

- 1st prize \$1000 worth of gift vouchers from local businesses - **Libby Bourke**
