Cross Country Run

On Friday, students from Nathalia Primary School attended the Division Cross Country in Shepparton and competed extremely well in their events. Mary and Kasey Caldwell, Clinton Stone-Talty, Josh Peterson, Brandon Hatton, Tom Daniel, Ewan Congues, Kai Lundberg, Kyle Hodges and Jerry Amery represented the school in the two and three kilometre events. A highlight of the day was the 12 year old boys event where Jerry and Kai came in second and fourth against students from all of the other schools in the district. Clinton also ran a great race and has qualified for the next level of competition. Well done to all of Nathalia's cross country runners.

The Mother's Day high tea was a huge success for the families at Nathalia Primary School with parents and children filling the community centre. The Parent's Club organised the event and it was a lovely way to say thank you to all the mums who do so much for their children. The children were able to buy gifts for mum and were encouraged to spoil her on Mother's Day.
