## Student Progress Reports

Half year reports will be distributed to families next Wednesday, the 26th of June. Parents are welcome to contact the school if you would like to discuss any aspect of your child's report. Please note that student attendance will be calculated this Friday.

## Student Attendance

The school's attendance data has improved significantly this year when compared with last year's data. This is a good outcome for the school and I thank parents for their support in achieving this result.

The school continues to have some children who regularly miss school and the absence is unexplained. Remember if your child is missing an average of a day per week from school, they have missed an entire year by the end of grade four.

Regularly being late for school or absent from school will impact on your child's academic progress.

We want your child to be at school on every possible day. Please notify the school if your child or children have to be away from school and the absence will be recorded as an explained absence.

### Dates to Remember

June 21st - Tucker Day: BBQ  
June 21st - Winter Sports v St Joe's (home)  
June 25th - Netball Clinic  
June 28th - End of Term 2

## Interschool Sport

The children in grades 5 and 6 will be playing football and netball this Friday at the Recreation Reserve.

The matches will begin by 1.30 and we are playing St Josephs Numurkah.

It's always great to have parents and families supporting the kids at sport.

## Meals on Wheels

Every month the School Captains and Sports Captains take it in turn to deliver meals on wheels in the community. This is a great activity for the children and they get a great deal of satisfaction delivering the meals to the people in their homes.
