Newsletter— October 24th, 2018

Nathalia Kids are Friendly Kids

This week's theme is "Setting Goals"

Prep Projects

This term Prep/1 students are exploring animals during their MAPPEN investigation. Students are enjoying talking about animals, their habitats and how we can look after them. This week we have talked about the importance of water for animals. Students have been thinking of ways to save water to protect our animals and the environment. Students have been busy creating posters to remind everyone of the small things that they can do to save water.

Bike Helmets

Children who ride their bicycles to and from school must wear an approved helmet.

We always encourage our students to be healthy and active and cycling to school is a fantastic way to travel and keep fit. It is also important that children are safe so the wearing of an approved bicycle helmet when riding is mandatory in Victoria.

School Uniform

It was great to see every student at assembly on Monday with their school uniform shirts and jumpers on. The kids looked fantastic!

Dates to Remember:

- November 2**—Science Circus
- November 5**—Pupil Free Day
- November 6**—Melbourne Cup Day Public Holiday
- November 8**—T20 Cricket
