**Nathalia Kids are Friendly Kids**

**This week's theme is "Who Can Help Me?"**

### School Hats

Nathalia Primary School is a Sun Smart school. An important factor in achieving Sun Smart status is to ensure all children wear wide brimmed hats in terms one and four.

All children are expected to wear an approved school uniform hat for all outside activities. This includes PE lessons, sport and during play-times.

Children who are not wearing a school uniform hat will not be permitted to do outside activities at school for the remainder of term 4.

Hats are available for sale at Casual Step in Blake St Nathalia.
