Year 6 Graduation

The Grade Six Graduation Night will take place on Tuesday, December 14th commencing at 6.00pm. This function is at the Nathalia Recreation Reserve and Function Room.

We ask that families adhere to the government health advice, but no formal Covid restrictions are in place as this is an outdoor venue.

After the graduation the students are invited to stay and enjoy a supervised social in the function room. The social will conclude at 8.00pm when all children are expected to be picked up by a parent.

The purpose of the Grade Six Graduation Night is to recognise the contribution these children have made to Nathalia Primary School during their time at the school and I'm looking forward to seeing all families there on the night to share in this celebration.

Tennis Australia has donated a racquet and a pair of sports socks to every one of our prep and grade one students.

Let's hope we see plenty of our students down at the tennis club for hotshots tennis.
