Nathalia Kids are Friendly Kids

This week's theme is "Consequences"

Community Reading Day and Remembrance Service

The children in grades 4—6 will be attending the pre-Remembrance Day service at the Memorial Gardens in Nathalia on Friday the 9th of November. The children are expected at the gardens at 10.30am and the service will begin shortly after. All children must be in full school uniform including their hats.

The Nathalia Primary School Community Reading Day is also on November the 9th and will be held in the plantation area of the town. The choir will perform from 10.00am and the children are asked to dress as pirates for the day. The Community Reading Day will conclude by 12 o'clock when the children return to school.

Grade 4, 5 and 6 students who are in the choir should not dress as pirates and should be in full uniform as they will be going to the Remembrance Day service immediately after the choir's performance.

Nathalia Primary School grade 6 student Vanessa Harbrow has been presented with the first prize in the free verse for 12 year old students for her poetry at the The Dungala-Kaiela Writing Awards. The awards were open to all Aboriginal and Torres Strait Islander people with a connection to our region and are sponsored by the Goulburn Valley Regional Libraries. Vanessa's winning poem is one of the many beautiful and thoughtful works that she has recently completed.

My Culture

The wind it whistles as your brain is in thought about love, hope and passion.

That's when all those bad thoughts go away,

And the sun is out shining bright, the stars they twinkle lightly as you know he is watching you.

The moon is full, full with your love as the clouds are softer, softer than your deep beloved heart.

The trees they sway from side to side by gusts of wind created by your tears.

The rivers, they flow slowly as the cod, crocs and bunyips make their way with it.

The kookaburras, they laugh, laugh louder than the thunder of the aching of your head.

The sky is happy and normal until it turns to darkness.

I am a bushboy. I love my land. My love for my land and my culture is my whole heart.
