Art Elements – Line/Shape/Colour/Form

TITLE – Paper Spring Art.

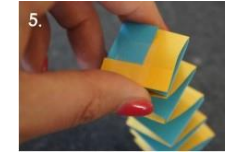

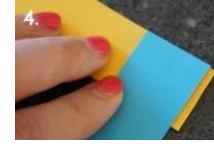

You will make springs by folding two paper strips together.

Materials to make the springs

Cover paper/cardstock/paper strips

Scissors

Glue sticks

Make lots of colourful springs and use them to create your own arty ideas.

Here are some other ideas.

Matchbox Pop Ups

Cover the top of an empty matchbox with scrap paper.

Make a double or triple length spring.

Glue the spring inside the box base.

Create a character & glue on top of the spring.

Close the lid. When you open it the spring will pop out.

Springy Snakes

Make your springs longer & wider.

Cut out a head for the snake & glue on.

Add joggle eyes.

Add some fangs.

Springy Box Robots

Use a small empty snack box.

Decorate the box to make it look like a robot.

Eg. Foil, stickers, papers, buttons etc.

Attach some springy arms & legs.
