Monday 3rd August, 2020

Dear Parents and Carers,

Unfortunately we will need to return to Remote and Flexible Learning from Wednesday August 5th.

Monday August 3rd is a normal school day.

Tuesday August 4th will be a Pupil Free Day for teachers to prepare.

Wednesday August 5th students will return to Remote and Flexible Learning.

There will be more details released by the Department of Education later today and as soon as I have it I will let you know. There will be some students who are eligible to attend school for a supervision program. These details will be released later today.

I am confident that Nathalia Primary School will be able to provide an effective Remote and Flexible learning program for students. This may take a bit longer than Wednesday but we will do our very best.

Please try to stay positive, calm and remind your children that everything will be alright. We are doing this to make sure that everything is fixed up as quickly as possible so that we can return to a normal school life.

A handwritten signature in blue ink, appearing to read "Chris McCallum".
