Dear Parents and Carers,

Unfortunately we haven't received any confirmation from the Department of Education as to what is considered a Permitted Worker to allow student attendance at school.

At this stage, if you cannot work from home or provide an alternative for supervision of your child, they may be eligible for on-site supervision. This applies to younger and vulnerable students who need adult supervision whilst at home. This advice may change in the coming days. If it does I will let you know.

Remember that Rural Victoria is in a Stage 3 lockdown. Please ensure that you are sending your child to school for genuine reasons. You can't be at home and send your child to school.

Can you please fill out the attached form and return before 3.00pm today. This enables us to appropriately staff the on-site supervision program. Students cannot turn up on the day without families filling out appropriate paper work.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Chris McCallum".
