Nathalia Kids Are Friendly Kids

"Body Language"

As this is the final newsletter for the term it is worth reflecting on some of the highlights we have experienced at the school over the past eleven weeks.

- We began the term with a school camp for the grade 3 - 4 students to Billabong Ranch which was a great adventure for all involved.
- The children were involved in the ANZAC Day service and a highlight was the writing the children completed reflecting their understanding and feelings about this significant day in the calendar.
- We had a visit from "Deadly Australians" and the snake man taught everyone that we should take care around wild animals.
- The Youth Engagement Mentoring Program (YEMP) has run throughout the term and this has been fantastic for the children involved. This program will continue into 2016.
- The winter sports program has been great fun with our grade five and six children competing in netball and football against the students from our neighbouring schools.
- The Nathalia Kids Are Friendly Kids program has begun and the student of the week awards are based on this program.
- We are also working hard to implement the School Wide Positive Behaviours program across the school later in the year.

These programs are in addition to our regular curriculum that includes English, Maths, PE, Science, Art / Craft, Music and the list goes on! It certainly has been a busy term but it's been great fun and extremely rewarding. I hope everyone has a great vacation and I'm looking forward to having a fantastic term three.

Thanks, Chris McCallum.
