Nathalia Kids Are Friendly Kids

"Setting Goals"

Last week's Winners

F/1 W Tahlia Bell

1/2 B Jairus Pederick

3/4 J Lachlan Clancy

4/5 I Brandon Orton

New School Uniform

The school has received feedback from several families regarding changes to the new school uniform that will be phased in in 2016. School Council appreciates the opinions of parents and has had an extraordinary meeting to discuss the issues raised. To ease the financial burden on parents, School Council has moved to give each child a new school shirt free of charge. There will also be a transition period in 2016 where it will be acceptable and understandable for children to be at school in either the green or the new uniform or a combination of the two. Parents who have bought black pants or shorts can still get a year's use out of these before the full school uniform change comes into effect in 2017.

School Performance

The school performance on Tuesday was an engaging, entertaining and educational production for the children. Many of the children, and some staff, enthusiastically performed on stage and presented a variety of music genres to the audience. This interactive show forms part of the school's performing art program and helps to enrich the curriculum for the children.

Pre-School Visit

On Wednesday the pre-schools in the area visited Nathalia Primary School for the morning. The children participated in a variety of organised activities that were prepared by Miss White who was ably assisted by other staff and several children from Miss Inglis' class. This activity was very successful and next year a similar program will take place in term one.

Regional Athletics

Congratulations to the children who represented Nathalia Primary School at the Regional Championships last week in Albury. They are Kaiya Cornell (1500m), Maizie Hawks (shot-put and discus), Connor Peachey (200m), Cody Power (1500m and 800m) and Georgia Hansford (1500m). Everyone did very well in their events and Maizie was able to come home with a bronze medal in the shot put. To get to this level in athletics is a fantastic achievement and to perform so well must make them very proud. Well done!

Congratulations to our weekly winners.

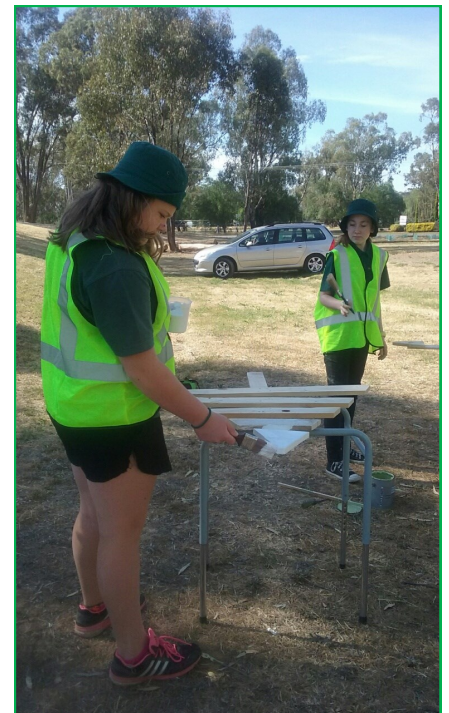

This week's theme is:
"Who Can Help Me?"

Thanks, Chris McCallum—Principal
